YOUR DAY,
YOUR CELEBRATION

**That is why the way you experience it
truly matters to me.**

Working with me is relaxed and natural, with everything centered around your story. I truly believe the most beautiful images are created when you can simply be yourselves.

DISCREET PRESENCE

Perfect timing

My favourite feedback is when couples tell me that, in their most important moments, they barely noticed I was there - yet every memory was beautifully preserved. And whenever they needed me, I was there, exactly when and as much as needed.

EXPERTISE AND EXPERIENCE

A balance of expertise and sensitivity

Photography is not only about capturing moments, but also about the technical expertise behind them. State-of-the-art equipment and precise workflows ensure that every image is detailed, sharp and timeless

THE PROPOSALS

GET IN TOUCH

If you feel I am the photographer you have been looking for, send me a message. Briefly tell me where, when and what kind of wedding you are planning.

LET'S MEET

We can arrange an online meeting to get to know each other better and answer any questions you may have. You will also have the opportunity to review the full contract and its terms. The consultation comes with no obligation.

CONTRACT SIGNING

If the chemistry feels right and you have made your decision, all that remains is to make it official. Your date is secured by signing the contract online and paying the 30% booking deposit.

SNEAK PEEK

As early as the Monday after your wedding, you will receive a sneak peek of the photographs in a beautiful, personalised online gallery that is both elegant and easy to use. You can share it with your loved ones straight away, and password protection lets you decide who can download the images. If there are photographs you would prefer to keep just for yourselves, you can also protect them with private access.

IMAGE DELIVERY

Whichever package you choose, you are guaranteed to receive the complete collection within 14 days. And remember: speed never comes at the expense of quality.

A LASTING KEEPSAKE

ADDITIONAL SERVICES

ENGAGEMENT SESSION

An engagement session gives you more than beautiful photographs: it also gives you valuable experience ahead of your wedding-day couple session. As we get comfortable working together, you will see exactly how a session like this unfolds, discover what suits you best, and get a sense of how you would like to see yourselves in your wedding attire on the big day.

45,000 HUF + travel fee

SEPARATE-DAY COUPLE SESSION

If your wedding-day schedule is too tight to leave enough time for a couple session, if we cannot plan the session around the best light, or if you simply prefer to create your couple portraits in a more relaxed setting, this option is perfect for you. An added advantage is that we can choose any beautiful location in the country if you are looking for something truly special - either before or after the wedding.

45,000 HUF + travel fee

EXTRA USB DRIVE IN A PRESENTATION BOX

A beautiful keepsake box that holds all of your photographs in physical form. It also makes a lovely gift for family members.

5000 HUF/piece
